

SAN GABRIEL METAL CONCEPTS, INC.

Established in March 2013, San Gabriel Industrial Solutions, Inc. (SGISI) is the topmost distributor of industrial products in the country. Considering itself as the solution provider for industrial and manufacturing needs to support the furniture companies. SGISI carries the well-known brands and one of the distributors for HEICO upholstery nails, TOA abrasives, 3M products, KREMLIN and PRONA Spray Equipments and its parts. SGISI goes on to the next level by not only trading but manufacturing sanding belts. As such, it will now be very easy to meet customer's demand on the sizes and corresponding grit sizes depending on client's specification.

Our mission

The company is committed to fulfill its duties and responsibilities to:

ITS PEOPLE. We believe in the strength of the people, which is the foundation of the company. We build a second home and ensure that every member of the family belongs.

ITS CUSTOMERS and SUPPLIERS. The reason for its existence. To provide goods and services that will ensure total satisfaction to our clients. We create long-term business partnership with our customers and suppliers.

THE INDUSTRY. We have a role to play for the growth of the industry. We support the building of the future.

Our Values**TEAMWORK.**

We value each member's strength and understand each other's weaknesses. Together Everyone Achieve More.

EXCELLENCE.

We grow with learning. We ensure improvement in all our doings. We will always believe that there is a better way

COMMITMENT TO QUALITY.

We believe in the quality of our work, we want quality to be attached to the products and services that we provide.

CORPORATE DISCIPLINE.

“Discipline is the foundation upon which all success is built.” We are what we have accomplished.
